

## How to join Catho SLSC as a New Member

To join a surf lifesaving organisation when you've never been a member, you need to go [join.sls.com.au](http://join.sls.com.au) and tell us what sort of organisation you'd like to join: when joining Catho Surf Lifesaving Club you will need to select "Surf Lifesaving Club".

The screenshot shows the 'JOIN' page of the Surf Life Saving website. At the top left is the Surf Life Saving logo, a red circle with a white surfboard and a yellow lifebuoy. To its right, the text 'SURF LIFE SAVING' is written in white, and 'JOIN' is written in large white letters. Below this is a white form titled 'Entity Selection' in red. The form contains the text 'Select Entity \* :'. To the right of this text is a pink arrow pointing to three radio button options: 'Surf Life Saving Club.', 'Academy for Commercial Training', and 'Other'.

When you have chosen Catherine Hill Bay Surf Lifesaving Club and entered your basic information, you will have to complete the full membership application form. This form includes personal information (email address, driver's license number, clothing sizes etc), medical information, emergency contacts and background information. Note: if the information is not complete the Registrar at the Surf Club cannot accept your application.

Please check that you have provided a phone number AND an email address as your registration cannot be finalised without them both. You MUST also have an emergency contact.

At the bottom of the application there are three acknowledgement boxes, one of which only applies if you are a parent or guardian applying on behalf of someone under 18.

Once your application has been submitted you will see a confirmation window which includes your unique tracking ID. You will be sent this information by email, along with a link which you can use to check on the progress of your application.

Click on the making Payment button to pay the relevant fee.

Your application for membership has been submitted to Catho SLSC.

The application needs to be approved before you become a member and you must fulfil all the terms and conditions of the Membership process required by SLSA and your club. You can track the status of your application by using your tracking ID which appeared when you submitted your application. On that page will be a link to making payment.

All payments are online. When you press the make payment link it will take you through to a payment page where you submit the details required and pay the relevant fee.

Fees can be found on the Catho SLSC web page or by hovering over the “?” on the payments page.

If you wish to join up more than yourself / one person, click on the link at the confirmation screen. You will be redirected back to the application form for the next person, with some information saved.
